PARENT CONNECT – Link

<https://cimsweb.deltasd.bc.ca/schoolconnect/parentsignore.aspx>

ParentConnect is for a parent/guardian to view their child's schedule, attendance, report card, history of grades, calendar, fees, p/t conferences, bulletin board, forms, course assignments, etc. Parents/guardians are able to update demographic information online except for home address and home phone numbers, those changes have to go through the school office (hit the SAVE button after making any changes). To sign onto *ParentConnect* for the first time, use the link above and select **Forgot My Password**, enter your email address in the box that opens and a password will be sent to your email. (If parents live at different addresses, each will have their own account and sign-on as accounts are created based on the postal code.)

STUDENT CONNECT – Link

<https://cimsweb.deltasd.bc.ca/schoolconnect/stuconsignon.aspx>

StudentConnect is a “view-only” compact version of *ParentConnect*. The Network ID to sign in is a student's 5 or 6 digit student number. For new students, or students signing in for the first time, contact a teacher, counsellor, or the school office to obtain the password. Use the link above to sign in. (Passwords can be changed after initial sign on.)
