

P.A. ANNOUNCEMENTS

Friday, April 12, 2019

Day 1

- Attention all Grads. Grad Dinner/Dance and Dry Grad event tickets will be on sale for TODAY ONLY in Room 116. Be sure to plan out your seating groups in advance prior to purchasing the ticket as order of purchase matters. Tickets will be \$210 for the event. Cash, cheque, or VISA can all be used to purchase the ticket. Be sure that you have paid all of your student fees in advance!
- Would you like to explore Italy, France and Spain all in one trip? Would you like to go on this trip with friends from SDSS? Would you like to have one full week of spring break to rest after the trip? If yes, then go on SDSS's Europe 2020 trip next March! For more info, contact Ms. Dulay or Madam Turgeon. Only 6 spots left!
- Library Learning Commons is celebrating World Book Day Tuesday April 24. Come to the LIBRARY to enter our book draw. Lots of Book PRIZES to give away this month, All are welcome to enter our Book Draw.
- Attention all students-The Youth Achieving Success career conference will be hosted by Simon Fraser University on April 20th and tickets are on sale now! There will be a full day of engaging workshops, with a wide variety of speakers who will be covering careers such as Medicine, Journalism, Tech, Entrepreneur, Culinary Arts, and much more. Don't miss this once-in-a-lifetime opportunity to connect with industry professionals and discover YOUR passion! Tickets are \$20 and can be accessed on youthachievinguccess.org. Tickets will only be on sale until April 14th so grab yours now! For more information please see Janeva Shahi or Ms. Fernandes.
- Do you have any new or gently used sports equipment that is unwanted? Sports for Smiles will be holding an equipment drive starting next week on Monday April 15 through Friday April 26. Boxes will be set up outside the office. Help provide northern youth in isolated communities by recycling your sports equipment!

- Symbols are images or visuals used to stand-in-for or represent a bigger thing, thought, or idea. We use symbols in our world all the time, for many things - on our clothes to show what brand we're wearing, colours to represent emotions (blue is sad, red is passionate or angry), signs on doors or when we're driving, flags for different countries. One of the main symbols of Pride - week, month, and events around the world - can be seen in the display case in the main hall. It has been used as a symbol since 1978 and was created to represent the diversity within the queer/gay/SOGI (soh-gee) community.

FRIDAY TRIVIA: What symbol might you find outside a teacher's door - or in their classroom - to show they are a "Safe Space" or an ally for queer/questioning/trans/gender-diverse students?

- Please note that Mrs. Adamson's RM 131 will be closed at LUNCH today.
- Are you interested in perhaps getting a scholarship to a university? Are you looking to try a new and exciting activity? Well then, come out next Thursday to the library at lunch to learn about rowing. Nationally accredited coach, Drew Edwards, will be joining us from the Deas Island Rowing Club. You will learn all the techniques and will be on the water in no time. This is a sport that can lead to world travel. See you Thursday at lunch in the library.

SPORTS

- Yesterday both our Junior and Senior rugby teams had successful days. The Juniors travelled over to Victoria and beat a strong Brentwood team by a score of 16-5. In Senior boys action, our Sundevils squad beat RE Mountain by a score of 31-23 in a physical, hard fought match. Good luck to the Juniors, as they finish out their Victoria tournament with two more games today, and best of luck to our seniors as they will continue to prepare next week for their Thursday match against Elgin Park. Lets go Devils!
