Hello, Sundevils! The SDSS Interact Club would like you to join Hoop-a-thon on Saturday, May 4th, at Southpointe Academy from 10:00 - 12:00. The club is looking for a team of five to throw basketballs and at least five rebounders. The objective is for each player to sink as many baskets as possible in one minute. There will be a Blood Donation Clinic on Saturday, April 27th at the SDSS cafeteria! If you're over 17 years old and meet eligibility requirements, you can make an account and book an appointment through the Canadian Blood Services Website. Your donation could save a life, so don't miss this opportunity to make a difference in our community.

April 22nd was national earth day. We celebrate this occasion annually to not only evaluate and raise awareness on the problems and effects of global warming, but to also take time to recognize the achievements and set goals for the future of our planet. There are many people trying to help us survive, and overcome, this climate crisis and they suggest many ideas that you guys as individuals can apply to your day to day life. A few examples may be, recycling, thrifting or donating clothes, or contributing to the ecosystem by planting trees and other plants. These small acts can support the environmental cause with large impacts.

We are celebrating earth day spirit week: Tuesday is reusable water bottle, Wednesday is anything but drive to school, Thursday is plastic free lunch, and Friday is plant-based lunch
